Details

Monthly fee for the monthly WHM/cPanel VPS License and its installation with initial setup and "first point of contact" for cPanel assistance. With preferential and advantageous provisioning and Web Hosting resource assignments.

cPanel License at the "Admin" level of 5 cPanel Users by default, select Options for their larger license/user levels.

Furthermore, should you create more cPanel Users during any billing month in your cPanel VPS WHM/cPanel environment than is pre-purchased by your chosen cPanel License level, you authorise Network Presence to charge you at the relevant cPanel License level for your created cPanel Users.
